

Wrath of God

Andrew
Hancock

Pray

- Pray for God to open your heart and mind.

To Begin

- Write out the first 5 to 10 words that come to mind when you hear the word “wrath”
- Why do these words come to mind?

Scripture

- Why does God look upon people with wrath?
 - John 3:36
 - Romans 2:5-7
 - Ephesians 2:1-3
 - Ephesians 5:5-6

“Those who object to the conception of the wrath of God should realize that what is meant is not some irrational passion bursting forth uncontrollably, but a burning zeal for right coupled with a perfect hatred for everything that is evil... The writers of the New Testament know nothing of a love which does not react in the very strongest fashion against every form of sin”
Leon Morris

- Read through Romans 1:18-32
 - Why is God revealing his wrath?
 - How is it revealed?
- Jot down some thoughts about what these verses say about God's future wrath.
 - Luke 21:20-28
 - Revelation 6:12-17
 - Revelation 11:17-19
 - Revelation 19:11-16
- How can someone be saved from God's wrath?
 - Romans 5:8-10
 - 1 Thessalonians 5:9-10
 - 1 Thessalonians 1:10

Application

- Spend time praying over the verses in this study. Then write down what you will do to apply these ideas.
